

Stainless Steel Swivel-Pro™

Less moving parts, less weight and all stainless steel construction. The **Swivel-Pro™** provides the same high quality as our original **Swivel-Pro**, plus the added features!

Swivel-Pro™, our latest swivel adapter, features an exclusive ergonomic design. The swivel increases nozzle control to allow circular, horizontal and vertical nozzle movements while maximizing your comfort and safety. When you package our exclusive **Swivel-Pro™** with our sturdy yet lightweight **Hydro-Pro 150® Spray Nozzle**, Strahman is able to offer its “**Ergonomic Hose Package**” which is perfect for industrial plant applications where ergonomic concerns exist.

Specifications

- ◆ **Maximum working pressure** 150 psi
- ◆ **Maximum working temperature** 200°F/93°C
- ◆ All stainless steel construction for strength and durability
- ◆ Allows circular, horizontal and vertical movements of nozzle without repositioning heavy hose for ergonomic value
